

JUNIOR LEAGUE OF BEAUMONT
SUSTAINER OF THE YEAR NOMINATION FORM

All nominations must be submitted on this form. Nominations may be submitted by current JLB Actives and Sustainers in good standing. The nominee must be a current Sustainer in good standing.

Criteria

The nominee must satisfy these standards:

1. Has this woman sought to enrich our community through effective action and leadership with training she obtained through the Junior League?
2. Has she resolved critical needs in our community?
3. Has she promoted volunteerism?
4. Has she helped to develop the potential of women?
5. Has she done so in an extraordinary way?
6. Has this woman helped to “sustain” the JLB since she moved to Sustaining status?

The nominee’s service in the past, as well as during the current League year may be taken into consideration. She need not have made volunteer service contributions to both the community and the JLB during the year of her nomination; rather the nominee’s past and current volunteer service should be considered as a whole. This award is intended to recognize a woman who has used her League training to enrich and improve our community without regard to the particular organization or vehicle through which she has provided her volunteer services. The focus of this award is on service to the broader community, not service in support of the League itself. However, the nominee chosen should have provided some service in support of the league as a Sustainer.
